Dear Madam,

My name is Anu Mathew, and I'm a first-year B.tech computer science student at SJCET, Palai. As a long-time follower of your company, I was excited to see the opening for the computer science internship position on your business website. The opportunity to work with your company and fulfill this role is a fantastic opportunity for me, and I feel my education and technical skills make me the ideal candidate for this position.

My technical skills include extensive knowledge in programming, mathematical algorithms and coding languages. I also have other experiences such as using C, HTML, CSS, python etc. and so that I am familiar with networking and software.

In closing, I am excited about the opportunity and feel I can fully support the team as well as the business and encourage the overall growth of the company. I look forward to hearing from you soon

Sincerely,

Anu Mathew
